Dear Community Partner,

Please join us for the **30th Annual Atascadero Children's Day in the Park**. It will be held on **Saturday April 6, 2019** at the Atascadero Lake Park from **11:00 a.m. until 3:00 p.m.**

The goal of the Atascadero Children's Day in the Park is to provide a free day for children and families to play, learn, and have fun. This annual event also creates an important opportunity for parents and caregivers to learn about resources, support, and community programs available to help children be safe, nurtured, happy, and healthy.

We encourage participants to host a child-friendly activity, or provide educational resources for children and parents in our community.

The Children's Day in the Park event is sponsored in partnership with the City of Atascadero and the LINK Family Resource Center. The LINK is a community non-profit dedicated to strengthening families in need, supporting children's mental and physical well-being, and ensuring that strong families are a community priority. We foster a safe, healthy, and thriving community by linking children, youth, and families with programs and services to address their unique needs.

Join us in celebrating Child Abuse Prevention Month at the 2019 Atascadero Children's Day in the Park. Reserve your booth space today, as space is limited! Please contact us for Event Sponsorship opportunities.

Included is the Booth Space Application, submissions are due by Friday, March 8, 2019.

Thank you!
